

First Unit Examination 2025-26

Class :- _____

Subject :- _____

Marks :- _____

Time :- _____

Name :- _____

Roll no :- _____

For language subject like English, Marathi and Hindi

SECTION A (Reading)

A paragraph to be given from which students have to read and find the answers to some simple question based on the paragraph like the ones in 10th std board exams.

SECTION B (Writing)

Writing section can include letter writing, poster making, speech writing etc this can help the students increase the vocabulary, writing skills and time management as they go for the board exams.

SECTION C (Grammar)

Grammar section can include anything like tenses, reported speech, direct/indirect speech or other grammar questions.

SECTION D (Literature)

This section can include lesson related question like fill in the blanks, answer the following etc, lesson summary anything that is related to their chapters.

For non-language subjects the format does not to be sectionized. Rather it should follow a way in which the mark are in ascending order i.e., 1-mark questions, then 2 then 3 and so on.

Tick the correct answer

Fill in the blanks

True or False / Match the following

If any other like name the following or other question

Answer the following

For maths should also follow an ascending ordering of marking i.e., first question should be simple 1 mark then 2 and then 3 or 4 as needed.
